## Pragnya College of Management & Computer Studies

---

### The objectives of the Conclave include:

To attract investment in alternate fuels & clean mobility in Maharashtra by positioning the state as a domain leader

- To provide a platform for dialogue between key stakeholders on clean mobility technologies
- To create an awareness among the masses about clean mobility initiatives across the globe
- To help design and conceptualise a pathway for promoting clean mobility solutions

Therefore, with this respect the students of “**Pragnya College of Management & Computer Studies, Pune**” has organised a one-day Industrial Visit programme with **AFC, Pune**. All the students of BBA have attended the program successfully. They came to know about the future of Indian Mobility, enhancing EV production in India and also about building infrastructure and fuelling growth with clean energy for electric vehicle.

## Industrial Visit "Federal Bank Limited"

### A Report on Industrial Visit "Federal Bank Limited"

2021-2022

Date:31/01/2022

### MINUTES

### Activity Report on Industrial Visit Program

Industrial visits are slowly becoming an integral part of the education system. Educators are now realising the importance of industrial visits for students. Many schools and colleges have already adopted this system in their curriculum and are showing positive results. One of the most growing sectors in the economy is the Banking Industry.

The following resource person has conducted the program:

1. Mr. Mohyudin Jagot, Branch Manager & AVP, Federal Bank Limited, Pune.
2. Prof. Dr. Asha Yadwadkar, Principal, Pragnya College of Mgt & C.S.
3. Prof. Vishwanath Jha, Assist. Professor, Pragnya College of Mgt & C.S.

## Industrial Visit "Federal Bank Limited"

Therefore, with this respect "Pragnya College of Management & Computer Studies, Pune has organised a one-day Industrial Visit programme in the Banking Sector i.e. "Federal Bank Limited", Phursungi Branch, Pune on 29/01/2022 (Saturday).

The following learning Objectives has been covered:

1. **Safeguard Deposits:** Bank serves the main purpose of accepting deposits from public and safeguarding it. It guarantees the safety of funds to customers for depositing their money in their accounts.
2. **Provide Loans:** It advances loan to customers at both short-term and long-term basis as per their needs. Bank provides loans out of the deposit that they receive and charges interest on the amount from customers.
3. **Currency Issue:** Banking organizations does the purpose of issuing currency which is served as a legal tender in country. Central bank of our country (i.e. RBI) prints and issues all currency notes for the public.
4. **Enhances Living Standards:** It assists the people in improving their quality of life by providing them credit. Bank enables customers in purchasing high quality and costly goods on credit basis or hire purchase system.

The banking sector plays a vital role in the growth and expansion of any country. This particular Industrial Visit shows the importance of **banking in India**. Along with that, all the students also got to know about different types of banks. Furthermore, if anyone wish to enrol in the banking sector, they must prepare for the exams.
