Memorandum of Understanding (MoU)

M O U for E-wastage and maintenance of Hardware and Software.

On behalf of **Pragnya College of Mgmt. & CS** we have entered into MOU with **JEE Technologies** Organization on the following terms and conditions.

1. The said organization will supply our college the required E material such as computers, scanners, printers from time to time as required by our college, at prevailing and reasonable cost.
2. The software required by us will be uploaded by **JEE Technologies** organization as our requirements.
3. The maintenance of hardware has also been entrusted to said organization from time to time as per requirement of the college; the cost will be paid by college depending on the nature of work.
4. College is to undertake scrap management from time to time; accordingly the electronic devices which are out of use will be scrapped from time to time. This scrap material the **JEE Technologies** will take from our college and will dispose it as per prevailing norms of government, the responsibility of which will be with **JEE Technologies** organization.

So said MOU is signed by both the parties on 02/12/2019 this date being effective from 09/12/2019 for two years till 09/12/2021
